

ENVIRONMENTAL POLICY

FABIO MUSCAT
OZO GROUP CEO

OZOGROUP
international

We commit ourselves and aspire to be a sustainable organisation that sustains the environment related to the commercial activity by protecting the environment, while ensuring constant compliance with applicable legal and other requirements related to the environment.

To implement this policy, we have adopted environmental management system based on the requirements of ISO14001:2015. We commit ourselves to continually strengthen and improve the overall capabilities of the environmental management system

All the employees within OZO Group understand and fully commit themselves to adopt this policy in their daily operations.

The effectiveness of this policy is measured through our Environmental Objectives, which together with the policy are reviewed on an annual basis to ensure continuing suitability and to explore every opportunity to demonstrate a positive impact on the environment in all activities.
